DROP OFF AND PICK UP

When dropping off or picking up your child, please promptly shut the door behind you before signing in or conversing with adults. A little one can quickly slip out the door if left ajar.

VALENTINES DAY IS JUST AROUND THE CORNER!

All children will make their own personalized valentine bags at school to hold their valentines. M-W-F children are asked to bring 26 valentines and T-TH children are asked to bring 18 valentines to each day they will attend, signed but **UNLABELED**. We ask that parents bring their children upstairs and help them distribute his/her valentines on either the 14th or 15th of February.

OUTDOOR WEAR

Please send your child to school dressed for our changing weather. Our playground is frequently shaded and wind can quickly drop the temperature by several degrees in a short period of time. We all know how easily children can become engaged in an activity and fail to notice how chilly their bare legs have become. Yet, it goes unnoticed by an active preschooler! Please do not assume that your child always knows how to best dress for the changing weather. We recommend that you send your children in layered clothing that can be added, or removed as the weather dictates. Make sure your child's cubby has an appropriate change of winter clothing and **PLEASE LABEL ALL ITEMS**.
